Serving Other Souls will be presenting our Boots & Backpacks program that provides warm-weather gear to homeless on the 3rd Monday of February (President's Day) from 8 to 9:30 AM at Light of Life Mission (across the street from Light of Life) and Shepherd's Heart Veteran Shelter (in parking lot). SOS consists of middle-school age students who are training to become empathetic, servant-leaders by conducting service projects like this event to not only help the needy, such as the homeless of Pittsburgh, but also to improve our members abilities to organize events & connect with their fellow human beings. Come on President's Day to accept our gifts and love.

SOS will set up a "storefront" with clothing gifts for the homeless to include the following:

- **NEW drawstring backpacks for all homeless patrons (place all clothing donations in bags)**
- **NEW or gently used coats (Male & Female)**
- **NEW or gently used tossle caps**
- **NEW or gently used winter gloves**
- **NEW or gently used thermal underwear & socks**
- **NEW or gently used winter boots**
- **NEW or gently used sweatshirts, hoodies, flannel shirts, or fleece jackets**
- **Hygiene products (toothbrush, toothpaste, mouthwash) and female hygiene products**
